## Cookie Policy

Version of **21-04-2022**

---

### COOKIES USED

- a) session cookies  
Those temporary files are stored on your device only until the time you log out, exit our Platform or close your browser. They contain information about system settings.
- b) persistent cookies  
They're stored for a period of time fixed in their parameters or until you remove them. They optimize functionalities of the platform.
- c) cookies from third parties  
They're related to advertisements servers.

### COOKIE EXPLOITATION

- d) facilitate the use of our platform  
Without the need of constant repeating the authentication process or adjusting your personal preferences.
- e) collect statistics  
to analyze how our users use our Portal and services, the number of visiting users, their frequency...
- f) adjust the content and advertisements available on our platform  
Relating to your interests and preferences.

### COOKIE MANAGEMENT

You can manage sharing and storing cookies with your browser settings (e.g. Google Chrome, Mozilla Firefox, Internet Explorer, Opera): either you accept our cookie policy, or reject it by going on to the resignation section.
